

**SAVE UP TO 10% OR MORE**

*whenever you use an an XL Ink cartridge,  
Twin, or Combo pack.*

HIT PRINT  
RELIABLY

As an individual that does hi-volume printing, you must keep a tight lid on costs. Now, HP can help. HP has developed three different high-volume ink packages—each designed to save you money over the cost of an individual cartridge.

**HP XL, Twin and Combo—three ways to increase your printing power**

HP offers you several packaging options for cartridges. All can increase your output and lower your per-sheet cost. What’s more, you can order these multiple packs of HP cartridges under a single part number, saving you time and simplifying your ordering process.

Package	Description	Advantages
XL	Jumbo single cartridge that provides more pages than a standard cartridge	<ul style="list-style-type: none"> <li>• Prints up to 3 times more pages than a standard inkjet cartridge</li> <li>• Lowers your cost per page</li> <li>• Change your ink cartridges less often</li> </ul>
Twin	Two identical ink cartridges in the same package	<ul style="list-style-type: none"> <li>• Saves you up to 10% over the cost of buying the cartridges separately</li> <li>• Prints up to 65% more pages than refilled cartridges tested<sup>1</sup></li> </ul>
Combo	Black and color ink cartridges from the same family in one package	<ul style="list-style-type: none"> <li>• Saves you up to 10% over the cost of buying the cartridges separately</li> <li>• Prints up to 65% more pages than refilled cartridges tested<sup>1</sup></li> </ul>

**Print more—worry less**

HP ink cartridges provide reliable, worry-free performance in your HP printer. Compare that to remanufactured inkjet cartridges. When put to the test against Original HP inkjet cartridges, more than a third of the bargain cartridges exhibited some type of reliability problem. Several (13%) failed right out of the box. Others failed prematurely and still others leaked<sup>1</sup>. The good news: not a single tested Original HP inkjet print cartridge failed<sup>1</sup>.

**Make the right environmental choice**

Join HP in helping to safeguard the environment by recycling your spent HP ink cartridges. HP makes it easy to do, offering pre-addressed, postage-paid recycling envelopes and labels. You’ll find collection box locations and more details at [www.hp.com/recycle](http://www.hp.com/recycle). As of December 2008, 125 million HP inkjet print cartridges have been returned and recycled since the inkjet cartridge recycling program began in 1997<sup>2</sup>.
